MEMORANDUM FOR: Office of Training

ATTENTION : 25X1A9A

FROM : Office of General Counsel

SUBJECT : Permission from Publishers

1. Your papers concerning agreements with Harper & Brothers and McGraw-Hill are returned herewith. The agreement forms may properly be signed, except that on the Harper & Brothers form you should strike out the paragraph which begins "That in the event that a book club" and explain to the publishers that the Government cannot undertake an indefinite obligation of this nature. Subject to this comment, your letters to the publishers appear to be in good form. I believe, however, that you should check with the Office of Logistics since this does involve procurement on a small scale.
